TAVOLA ROSA

THE CIRCLE

Breast cancer? You are not alone.

Our diagnosis connects us.

Join our **monthly meetings in Basel** –
an initiative by those affected, for those affected.

Together instead of alone!

Our initiative offers support and connection: a safe space to share experiences, listen, and understand. Take time for your story – or simply be part of the group. You are not alone. We are here for you.

TAVOLA ROSA BASEL is committed to breaking taboos and raising awareness about the challenges of living with breast cancer.

You are warmly welcome to our meetings! TAVOLA ROSA – an initiative by those affected, for those affected.
